My dear Sirs:

Because I am a booster for the Eagle Baseball Team, I am anxious to know whether or not most of the same members are playing with you this year as last.

I would like to know if the pitchers Lenciell Hooker and Maxwell Manning, also, first-basemen Francis Matthews are on the team now; also when the opening game will take place in Newark.

For this information, I am enclosing an air-mail stamped envelope. Please answer immediately.

Yours Truly,  
(Miss) Beatrice Tilley
